NOTICE OF MEETING

Notice is hereby given that the Fifty First (51) Annual General Meeting will be held in the Club premise, 42 Barooga Road at 6.00pm on Tuesday 24th October 2023.

ORDINARY BUSINESS

1. Apologies
2. To receive the Minutes of the Fiftieth (50) Annual General Meeting held on Tuesday 25th October 2022.
3. To receive and consider the Directors' Report, Profit or Loss and Other Comprehensive Income for the year ended 30th June 2023, the Statement of Financial Position, the Statement of Changes in Equity, the Statement of Cash Flows as at that date and the Auditors' Report thereon.
4. Ordinary Resolutions
 1. Approval of expenditure incurred by Members of the Board of Directors in carrying out their functions
 2. Approval of Honorariums for
 - i. Club President
 - ii. Bowls Captain
 - iii. Golf Captain
5. Declaration of Ballot for Office Bearers and Directors.
6. Any other business for which due and proper notice has been given.

MEMBERS PLEASE NOTE:

Members are requested to advise the Chief Executive Officer in writing seven (7) days prior to the date of the Annual General Meeting (Tuesday 17th October 2023 at 5.00pm) of any questions relating to the financial accounts that is not contained in the annual report. Requested information will be extracted from the records and provided to the members at the Annual General Meeting.

FIRST ORDINARY RESOLUTION

That the members hereby approve expenditure by the Club until the next Annual General Meeting of the Club for the following:

1. The reasonable costs of directors attending seminars, lectures and other educational activities as determined by the Board from time to time.
2. The reasonable costs (including travel and accommodation expenses) of directors attending meetings, conferences and trade shows conducted by Clubs NSW, the Club Managers Association and such other conferences and trade shows as determined by the Board from time to time.
3. The reasonable cost of directors attending any other registered Club for the purpose of viewing and assessing its facilities as determined by the Board as being necessary for the benefit of the Club.
4. The reasonable cost of directors attending any Club, community or charity function as the representatives of the Club and authorised by the Board to do so.
5. The reimbursement of reasonable out of pocket expenses incurred by directors travelling to and from Board meetings or other duly constituted meetings of any committee of the Board.
6. The reimbursement of reasonable out of pocket expenses incurred by directors either within the Club or elsewhere in relation to such other duties including entertainment of special guests of the Club and other promotional activities approved by the Board on production of documentary evidence of such expenditure.
7. The reasonable cost of Club Uniform being provided to directors as required.
8. The provision of designated car parking spaces for directors in the Club's car park.

9. The members acknowledge that these benefits are not available for members generally but are only for those who are directors of the Club.

Notes to Members on First Ordinary Resolution

1. The First Ordinary Resolution is to have the members in general meeting approve expenditure by the Club for directors to attend seminars, lectures, trade displays and other similar events to be kept abreast of current trends and developments which may have a significant bearing on the Club and for other out of pocket expenses.

Included in the First Ordinary Resolution is the cost of directors attending functions as representatives of the Club.

Procedural Matters

1. To be passed, the First Ordinary Resolution must receive votes from not less than a majority of those members who being eligible to do so vote in person on the First Ordinary Resolution at the meeting.
2. The Registered Clubs Act provides that members who are employees of the Club are not entitled to vote; and proxy voting is prohibited.

SECOND ORDINARY RESOLUTION

That the members hereby approve expenditure by the Club on honorariums to the value of \$1,000.00 per annum for the President & Club Captains.

The members acknowledge that these benefits are not available for members generally but are only for those who are directors of the Club.

Notes to Members on Second Ordinary Resolution

1. The Second Ordinary Resolution is to have the members in general meeting approve expenditure by the Club on honorariums for the President and Club Captains.
2. The honorarium is intended as a gesture of appreciation to the President & Club Captains for which include attending Board meetings committee meetings, and other director's duties as required.

Procedural Matters

To be passed, the Second Ordinary Resolution must receive votes from not less than a majority of those members who being eligible to do so vote in person on the Second Ordinary Resolution at the meeting.

The Registered Clubs Act provides that members who are employees of the Club are not entitled to vote; and proxy voting is prohibited.

Dated: 22 September 2023

By direction of the Board

Paul Gemmill
Chief Executive Officer

CLUB PROPERTY REPORT

Pursuant to Section 41J (2) of the Registered Clubs Act for the financial year ended 30 June 2023

(a) The following properties are core property of the Club.

- (i) 42 Barooga Rd Tocumwal NSW 2714
Parish Tocumwal Lots 1 & 2 DP 1096569, Lot 1 DP728913, Lot 14 DP738067, Lot
1 DP738098, Lot 228 DP 752296, WS049422 Easement DP 1027814
118.80HA Tocumwal Golf Club

(b) The following properties are non-core property of the Club.

- (i) There are no listed non-core properties.

Notes to Members

1. Section 41J(2) of the Registered Clubs Act requires the annual report to specify the core property and non-core property of the Club as at the end of the financial year to which the report relates.
2. Core property is any real property owned or occupied by the Club that comprises:
 - (a) the defined premises of the Club; or
 - (b) any facility provided by the Club for use of its members and their guests; or
 - (c) any other property declared by a resolution passed by a majority of the members present at a general meeting of Ordinary members of the Club to be core property of the Club.
3. Non-core property is any real property owned or occupied by the Club that:
 - (a) does not fall within the definition of core property; or
 - (b) is declared by a resolution passed by a majority of the members present at a general meeting of Ordinary members of the Club to be non-core property.
4. The significance of the distinction between core property and non-core property is that the Club cannot dispose of any core property unless:
 - (a) The property has been valued by a registered valuer within the meaning of the Valuers Act 2003; and
 - (b) The disposal has been approved at a general meeting of the ordinary members of the Club at which the majority of the votes cast support the approval; and
 - (c) Any sale is by way of public auction or open tender conducted by an independent real estate agent or auctioneer.
5. These disposal provisions (and what constitutes a disposal for the purposes of section 41J) are to some extent modified by regulations made under the Registered Clubs Act and by Section 41J itself. For example, the requirements in paragraph 4 above, amongst other things, do not apply to:
 - Core property that is being leased or licensed for a period not exceeding 10 years on terms that have been the subject of a valuation by a registered valuer; or
 - Core property that is leased or licensed to a telecommunications provider for the purposes of a telecommunication tower.
6. Non-core property is not subject to the limitations referred to in paragraphs 4 and 5 above and can be disposed of without the Club having to following the procedure referred to in paragraph 4 above.

I. Rutherford	10	11
W. Wilton	1	3
A. Purtil	9	11
R. Clark	8	11
B. Clements	8	11
P. Taylor	8	11
M. McLeod	6	8
M. Lumley	5	5

The profit of the Company after providing for income tax amounted to \$184,253 following an operating surplus of \$594,592 in 2022.

Significant Changes in the State of Affairs

There have been no significant changes in the state of affairs of the Company during the year.

Principal Activities

The principal activity of the entity during the financial year was:

A registered Club (NSW) providing facilities and amenities to its members:

- Encourage and support golf and bowling activities in the Tocumwal district;
- Provide members and their guests, a social and sporting Club with all the appropriate facilities needed.

No significant change in the nature of the Company's activity occurred during the financial year.

The entities short term objectives are to:

- Maintain the community facilities and Club environment
- Promote sporting and social activities for members and guests
- Provide a high level of customer service

The entity's long term objectives are to:

- To be proactive to the members and community needs and expectations
- Improve and enhance the Clubs financial position and performance.
- Be recognised as a leading corporate citizen with high social values facilities

Future Developments and Results

Likely development in the operation of the economic entity is to upgrade the Clubs equipment and facilities.

Environmental Issues

The Company's operations are not regulated by any significant environmental regulation under a law of the Commonwealth or of a State or Territory of Australia.

TOCUMWAL GOLF AND BOWLS CLUB LIMITED

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2023**

Note 1: Summary of Significant Accounting Policies

Basis of Preparation

The financial statements are general purpose financial statements that have been prepared in accordance with Australian Accounting Standards – Simplified Disclosure of the Australian Accounting Standards Board (AASB) and the corporations Act 2001. The entity is a not for profit entity for financial reporting purposes under Accounting Standards.

Australian Accounting Standards set out accounting policies that the AABS has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions. Material accounting policies adopted in the preparation of these financial statements are presented below and have been applied unless stated otherwise.

The financial statements, except for the cash flow information, have been prepared on an accruals basis and are based on historical, modified where applicable, by the measurement of fair value of selected non-current assets, financial assets and financial liabilities. The amount presented in the financial statements are in Australian Dollars and have been rounded to the nearest dollar.

The financial statements were authorised for issue on the 22nd September 2023 by the directors of the entity.

Accounting Policies

a. Revenue and Other Income

Revenue is recognised when the amount of the revenue can be measured reliably, it is probable that economic benefits associated with the transaction will flow to the Company and specific criteria relating to the type of revenue as noted below, has been satisfied.

Revenue is measured at the fair value of the consideration received or receivable and is presented net of returns, discounts and rebates.

Sale of goods

Revenue is recognised on transfer of goods to the customer as this is deemed to be the point in time when risks and rewards are transferred and there is no longer any ownership or effective control over the goods.

Interest revenue

Interest revenue is recognised using the effective interest rate method.

Rendering of services

Revenue in relation to rendering of services is recognised depends on whether the outcome of the services can be measured reliably. If this is the case, then the stage of completion of the services is used to determine the appropriate level of revenue to be recognised in the period. If the outcome cannot be reliably measured then revenue is recognised to the extent of expenses recognised that are recoverable.

Other income

Other income is recognised on an accruals basis when the Company is entitled to it.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2023**

Note 1: Summary of Significant Accounting Policies

a. Government Grants

If conditions are attached to a grant which must be satisfied before the Company is eligible to receive the contribution, recognition of the grant as revenue is deferred until those conditions are satisfied

Where a grant is received on the condition that specified services are delivered, to the grantor, this is considered a reciprocal transaction. Revenue is recognised as services are performed and at year end until the service is delivered.

The Tocumwal Golf and Bowls Clubs Ltd in this financial year we successful in applying for grant funding to extend the clubhouse, which will incorporate the pro shop and the Southern Riverina golf academy. The funding has also meant that our bowling greens have been able to be resurfaced and Pickleball courts have been incorporated on the green to make it a multisport surface.

The total grant funding amounts to \$3.547,000 which must be matched by the club dollar for dollar in order to receive the full funding.

Revenue from a non-reciprocal grant that is not subject to conditions is recognised when the Company obtains control of the funds, economic benefits are probable and the amount can be measured reliably. Where a grant may be required to be repaid if certain conditions are not satisfied, a liability is recognised at year end to the extent that conditions remain unsatisfied.

Where the Company receives a non-reciprocal contribution of an asset from a government or other party for no or nominal consideration, the asset is recognised at fair value and a corresponding amount of revenue is recognised.

b. Property, Plant and Equipment

Classes of property are measured at cost due to the requirement to revalue this asset class every three years, plant and equipment are measured using the revaluation model for plant acquired prior to 12 January 2015 and at cost for assets purchased post this date.

Assets measured using the revaluation model are carried at fair value at the revaluation date less any subsequent accumulated depreciation and impairment losses. Revaluations are performed whenever there is a material movement in the value of an asset under the revaluation model.

Assets measured using the cost model are carried at cost less any subsequent accumulated depreciation and impairment losses.

Depreciation

The depreciable amount of all property, plant and equipment, except for freehold land is depreciated on an appropriate method as determined by Management.

Assets held under a finance lease and leasehold improvements are depreciated over the shorter of the term of the lease and the assets useful life.

The depreciation rates used for each class of depreciable asset are shown below:

Fixed Asset Class	Depreciation Rate
Buildings	0 – 2.5%
Plant & Equipment	3 - 30%

At the end of each annual reporting period, the depreciation method, useful life and residual value of each asset is reviewed. Any revisions are accounted for prospectively as a change in estimate.

When an assets is disposed, the gain or loss is calculated by comparing proceeds received with its carrying amount and is taken to profit or loss.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2023**

Note 1: Summary of Significant Accounting Policies

c. Leases

Leases of fixed assets, where substantially all the risks and benefits incidental to the ownership of the asset (but not the legal ownership) are transferred to the Company, are classified as finance leases.

Finance leases are capitalised by recording an asset and a liability at the lower of the amounts equal to the fair value of the leased property or the present value of the minimum lease payments, including any guaranteed residual values. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for that period.

Leased assets are depreciated over their estimated useful lives where it is likely that the Company will obtain ownership of the asset or over the term of the lease.

d. Financial Instruments

Financial instruments are recognised initially using trade date accounting, i.e. on the date that Company becomes party to the contractual provisions of the instrument.

On initial recognition, all financial instruments are measured at fair value plus transaction costs (except for instruments measured at fair value through profit or loss where transaction costs are expensed as incurred).

Financial Assets

Financial assets are divided into the following categories which are described in detail below:

- loans and receivables;
- financial assets at fair value through profit or loss;
- available-for-sale financial assets; and
- held-to-maturity investments.

Financial assets are assigned to the different categories on initial recognition, depending on the characteristics of the instrument and its purpose. A financial instrument's category is relevant to the way it is measured and whether any resulting income and expenses are recognised in profit or loss or in other comprehensive income.

All income and expenses relating to financial assets are recognised in the statement of comprehensive income in the 'finance income' or 'finance costs' line item respectively.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2023**

Note 1: Summary of Significant Accounting Policies

Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. They arise principally through the provision of goods and services to customers but also incorporate other types of contractual monetary assets.

After initial recognition these are measured at amortised cost using the effective interest method, less provision for impairment. Any change in their value is recognised in profit or loss.

The Company's trade and most other receivables fall into this category of financial instruments.

Discounting is omitted where the effect of discounting is considered immaterial.

Significant receivables are considered for impairment on an individual asset basis when they are past due at the reporting date or when objective evidence is received that a specific counterparty will default.

The amount of the impairment is the difference between the net carrying amount and the present value of the future expected cash flows associated with the impaired receivable.

For trade receivables, impairment provisions are recorded in a separate allowance account with the loss being recognised in profit or loss. When confirmation has been received that the amount is not collectable, the gross carrying value of the asset is written off against the associated impairment provision.

Subsequent recoveries of amounts previously written off are credited against other expenses in profit or loss.

In some circumstances, the Company renegotiates repayment terms with customers which may lead to changes in the timing of the payments, the Company does not necessarily consider the balance to be impaired, however assessment is made on a case-by-case basis.

Financial assets at fair value through profit or loss

Financial assets at fair value through profit or loss include financial assets:

- acquired principally for the purpose of selling in the near future
- designated by the entity to be carried at fair value through profit or loss upon initial recognition or
- which are derivatives not qualifying for hedge accounting.

Assets included within this category are carried in the statement of financial position at fair value with changes in fair value recognised in finance income or expenses in profit or loss.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2023**

Note 1: Summary of Significant Accounting Policies

Held-to-maturity investments

Held-to-maturity investments are non-derivative financial assets with fixed or determinable payments and fixed maturity. Investments are classified as held-to-maturity if it is the intention of the Company's management to hold them until maturity.

Held-to-maturity investments are subsequently measured at amortised cost using the effective interest method, with revenue recognised on an effective yield basis. In addition, if there is objective evidence that the investment has been impaired, the financial asset is measured at the present value of estimated cash flows. Any changes to the carrying amount of the investment are recognised in profit or loss.

Available-for-sale financial assets

Available-for-sale financial assets are non-derivative financial assets that do not qualify for inclusion in any of the other categories of financial assets. The Company's available-for-sale financial assets include listed securities.

Purchases and sales of available-for-sale investments are recognised on settlement date.

All other available-for-sale financial assets are measured at fair value, with subsequent changes in value recognised in other comprehensive income.

Gains and losses arising from financial instruments classified as available-for-sale are only recognised in profit or loss when they are sold or when the investment is impaired.

In the case of impairment or sale, any gain or loss previously recognised in equity is transferred to the profit or loss.

Losses recognised in prior period income statements resulting from the impairment of debt securities are reversed through the income statement, if the subsequent increase can be objectively related to an event occurring after the impairment loss was recognised in profit or loss.

Financial liabilities

Financial liabilities are recognised when the Company becomes a party to the contractual agreements of the instrument. All interest-related charges and, if applicable, changes in an instrument's fair value that are reported in profit or loss are included in the income statement line items "finance costs" or "finance income".

Financial liabilities are classified as either financial liabilities 'at fair value through profit or loss' or other financial liabilities depending on the purpose for which the liability was acquired.

The Company's financial liabilities include borrowings, trade and other payables (including finance lease liabilities), which are measured at amortised cost using the effective interest rate method.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2023**

Note 1: Summary of Significant Accounting Policies

Impairment of financial assets

At the end of each reporting period, the Company assesses whether there is any objective evidence that a financial asset has been impaired.

Financial assets at amortised cost

If there is objective evidence that an impairment loss on financial assets carried at amortised cost has been incurred, the amount of the loss is measured as the difference between the asset's carrying amount and the present value of the estimated future cash flows discounted at the financial assets original effective interest rate.

Impairment on loans and receivables is reduced using an allowance accounts, all other impairment losses on financial assets at amortised cost are taken directly to the asset.

Available-for-sale financial assets

A significant or prolonged decline in value of an available-for-sale asset below its cost is objective evidence of impairment, in this case, the cumulative loss that has been recognised in other comprehensive income is reclassified from equity to profit or loss as a reclassification adjustment. Any subsequent increase in the value of the asset is taken directly to other comprehensive income.

e. Impairment of Non-Financial Assets

At the end of each reporting period the Company determines whether there is evidence of an impairment indicator for non-financial assets.

Where this indicator exists the recoverable amount of the asset is estimated.

Where assets do not operate independently of other assets, the recoverable amount of the relevant cash-generating unit (CGU) is estimated.

The recoverable amount of an asset or CGU is the higher of the fair value less costs of disposal and the value in use. Value in use is the present value of the future cash flows expected to be derived from an asset or cash-generating unit.

Where the recoverable amount is less than the carrying amount, an impairment loss is recognised in profit or loss.

Reversal indicators are considered in subsequent periods for all assets which have suffered an impairment loss, except for goodwill.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2023**

Note 1: Summary of Significant Accounting Policies

f. Employee Benefits

Provision is made for the Company's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits that are expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled.

Employee benefits expected to be settled more than twelve months after the end of the reporting period have been measured at the present value of the estimated future cash outflows to be made for those benefits. In determining the liability, consideration is given to employee wage increases and the probability that the employee may satisfy vesting requirements. Cash flows are discounted using market yields on national government bonds with terms to maturity that match the expected timing of cash flows. Changes in the measurement of the liability are recognised in profit or loss.

Employee benefits are presented as current liabilities in the statement of financial position if the Company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date regardless of the classification of the liability for measurement purposes under AASB 119.

g. Provisions

Provisions are recognised when the Company has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result, and that outflow can be reliably measured.

Provisions are measured at the present value of management's best estimate of the outflow required to settle the obligation at the end of the reporting year. The discount rate used is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the unwinding of the discount is taken to finance costs in the statement of other comprehensive income.

h. Cash and Cash Equivalents

Cash and cash equivalents comprise cash on hand, demand deposits and short-term investments which are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

i. Gaming Machine License

The directors consider that an active market does not currently exist for gaming licenses in this region and the dollar value of poker machine licenses to the Club in an open and unbiased market is not able to be determined. Any gaming licenses received as part of a business combination are not allocated at value. The Club currently holds 71 Gaming Machine licences which were acquired for a zero consideration.

Any gaming licenses separately acquired are stated at cost or deemed cost less accumulated amortization.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2023**

Note 1: Summary of Significant Accounting Policies

j. Water License

The license has an indefinite useful life and accordingly will be tested for impairment on an annual basis. The Club owns the following water entitlements.

Holding	Number of Entitlements
WAL 30462 Lower Murray Shallow	325
WAL 12095 Lower Murray Ground	4
WAL 5534 High Security River Above the Choke	20
WAL 5535 General Security	5
WAL 5536 Supplementary	107
WAL 21334 High Security River Downstream of the Choke	212

The water license is measured at revaluation every three years. Year 2024 is next valuation.

k. Borrowing Costs

All borrowing costs are recognised as an expense in the period in which they are incurred.

Borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised as part of the cost of that asset.

All other borrowing costs are recognised as an expense in the period in which they are incurred.

l. Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of GST. The net amount of GST recoverable from, or payable to, the ATO is included as part of receivables or payables in the statement of financial position.

Cash flows in the statement of cash flows are included on a gross basis and the GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the taxation authority are classified as operating cash flows.

m. Comparative Amounts

No changes to comparative's have been affected

Where a change in comparatives has also affected the opening retained earnings previously presented in a comparative period, an opening statement of financial position at the earliest date of the comparative period has been presented.

n. Critical Accounting Estimates and Judgments

The directors make estimates and judgments during the preparation of these financial statements regarding assumptions about current and future events affecting transactions and balances.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2023**

Note 1: Summary of Significant Accounting Policies

These estimates and judgements are based on the best information available at the time of preparing the financial statements, however as additional information is known then the actual results may differ from the estimates.

The significant estimates and judgements made have been described below.

Key estimates - Key estimates - Impairment

The Plant, Machinery, Equipment, Furniture and Contents were independently inspected and valued on 12 January 2015 by Preston, Rowe and Paterson of SYDNEY NSW 2000. The valuation was based on the fair value which is the amount for which the asset could be exchanged between knowledgeable, willing parties in an arms-length transaction. The valuation resulted in a revaluation decrement amount of \$491,859.

The Board determined to recognise this revaluation in the accounts to 30th June 2016.

The Land, Improvements and Buildings were independently inspected and valued on 12 January 2015 with a valuation date of 30 June 2015 by Preston, Rowe & Paterson of SYDNEY NSW 2000. The valuation was based on the fair value which is the amount for which the asset could be exchanged between knowledgeable, willing parties in an arms-length transaction. The critical assumptions adopted in determining the valuation included the location of the land and buildings, the current demand for land and buildings in the area and recent sales data for similar properties. The valuation resulted in a revaluation increment of \$1,254,210. The board has determined to revalue these assets back to cost in 2021 due to the ongoing requirement and cost to revalue these asset every three years.

Key judgments - Provision for impairment of receivables

Included in trade and other receivables at 30 June 2023 is a provision for impairment for services performed by the Tocumwal Golf Club and Bowls Club during the current financial year amounting to \$0.

o. Economic Dependence

The Tocumwal Golf and Bowls Club Limited is dependent on the poker machine income for a large percentage of its revenue used to operate the business. At the date of this report the Board of Directors has no reason to believe the poker machine income will not continue to support the Club.

p. Valuations

Valuations were undertaken in January 2015. Effects of the revaluation of all Plant & Equipment, Land, Buildings and Improvements were included in the financial statements in 2016. Land and Building were restated at cost in the 2021 financial statements due to the ongoing cost associated with revaluing this class on asset every three years as required by accounting standards. Water licences are revalued every three years, see note 1.j.

q. Asset Capitalisation

Asset purchases above \$500 are capitalised and depreciated. Assets below \$500 are written off as an expense.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2023**

Note 1: Summary of Significant Accounting Policies

r. Business Amalgamations (Combinations)

Where amalgamations occur between two Clubs, the assets and liabilities are recognized at fair value from the date that control commences. Subject to terms of any amalgamations a non-reciprocal transfer of the net assets is treated as revenue within the Clubs income statement.

s. New and Amended Accounting Standards Adopted by the Entity

Initial adoption of AASB 1060: General Purpose Financial Statements – Simplified Disclosure for For-Profit and Not-for-profit Tier 2 entities

The entity has adopted AASB 1060: General Purpose Financial Statements – Simplified Disclosure for For-Profit and Not-for-profit Tier 2 entities for the first time this reporting period. The Standard, which sets out new separate disclosures Standards to be applied by all entities that are reporting under Tier 2 of the Differential Reporting Framework in AASB 1053: Application of Tiers of Australian Accounting, replaces the previous Reduced Disclosure Requirements (RDR) framework. The application of this standard has resulted in disclosures compared to RDR in Revenue, Leases and Financial Instruments; however has resulted in new and/or increased disclosures in areas such as Audit Fees and Related Parties.

17 Financial Risk Management

The Company's financial instruments consist mainly of deposits with banks, local money market instruments, short-term investments, accounts receivable and payable, loans to and from subsidiaries, bills and leases.

The totals for each category of financial instruments, measured in accordance with AASB 139 as detailed in the accounting policies to these financial statements are as follows:

Financial Risk Management Policies

The directors' overall risk management strategy seeks to assist the Company in meeting its financial targets, whilst minimising potential adverse effects on financial performance.

Risk management policies are approved and reviewed by the Board of Directors on a regular basis. These included the credit risk policies and future cash flow requirements.

The main purpose of non-derivative financial instruments is to raise finance for Company operations.

The Company does not have any derivative instruments at 30 June 2023.

DIRECTORS' DECLARATION

1. In the opinion of the Directors of the Tocumwal Golf and Bowls Club Limited:
 - a The financial statements and notes of Tocumwal Golf and Bowls Club Limited are in accordance with the *Corporations Act 2001*, including:
 - (i) Giving a true and fair of its financial position as at 30 June 2023 and of its performance for the financial year ended on that date, and
 - (ii) Complying with Australian Accounting Standards – Reduced Disclosure Requirements (including the Australian Accounting Interpretations) and the *Corporations Regulations 2001*; and
 - b There are reasonable grounds to believe that Tocumwal and Bowls Golf Club Limited will be able to pay its debts as and when they become due and payable.

Signed in accordance with a resolution of the directors:

Director:

Mrs. Jennifer Anne Hehir

Dated this day of 22nd September 2023

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF
TOCUMWAL GOLF & BOWLS CLUB LTD**

Report on the Financial Report

We have audited the accompanying financial report of the Tocumwal Golf & Bowls Club Ltd, which comprises the statement of financial position as at 30 June 2023, the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies, other explanatory information and the directors' declaration.

Directors' Responsibility for the Financial Report

The directors of the Tocumwal Golf & Bowls Club Ltd are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001*, and for such internal control as the directors determine is necessary to enable the preparation of a financial report that gives a true and fair view, and is free from material misstatement, whether due to fraud or error.

In Note 2, the directors also state, in accordance with Accounting Standard AASB 101 *Presentation of Financial Statements*, that the financial statements comply with International Financial Reporting Standards. The accounts have been prepared in accordance with the requirements of the *Corporations Act 2001*, Australian Accounting Standards and other authoritative pronouncements of the Australian Accounting Standards Board.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements, and plan and perform the audit to obtain reasonable assurance about whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation of the financial report that gives a true and fair view, in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we have complied with the independence requirements of the *Corporations Act 2001*. We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of Tocumwal Golf & Bowls Club Ltd, would be in the same terms if given to the directors as at the time of this auditor's report.

Auditor's Opinion

In our opinion:

- a. the financial report of Tocumwal Golf & Bowls Club Ltd is in accordance with the *Corporations Act 2001*, including:
 - i. giving a true and fair view of the Tocumwal Golf & Bowls Club Ltd's financial position as at 30 June 2023 and of its performance for the year ended on that date; and
 - ii. complying with Australian Accounting Standards and the *Corporations Regulations 2001*; and
- b. the financial report also complies with International Financial Reporting Standards as disclosed in Note 2.
